

**DO COOL THINGS THAT MATTER**

---

### **Go Scarlet Hawks!**

Google's mission is to organize the world's information and make it universally accessible and useful. It's an enormous goal to accomplish and we need great people to help us achieve it!

We invite you to come learn about Google and meet some of our Googlers at this exciting event!

**Who:** All Computer Science and Engineering students and faculty, but anyone with an interest in software development or product management is welcome!

**What:** Food + Talk: Laying the Groundwork for a Successful Tech Career

**Date:** Thursday, September 18, 2014

**Time:** 12:45pm

**Location:**

MTCC Auditorium

**RSVP:** <http://goo.gl/HPGN23>

### **It's the hiring season!**

Please check out our technical opportunities at <http://www.google.com/about/careers/students/>. We encourage you to apply online now and submit your resume with the Sign Up form!.

We hope you'll stay in touch with us by checking out the [Google Students blog](#), following us on [Google+](#), and checking out the [Student YouTube channel](#).

We look forward to seeing you there!
